

As previously announced, St Michael and St Joseph parishes have become partners in a dynamic faith formation program called Symbolon. The 20 episodes in this program will take you through the entire story of the Catholic faith to include such topics as sacred Scriptures, salvation history, Jesus, the Church, Mary and the saints, the Sacraments, Catholic morality, God's plan for human sexuality, and Catholic social teachings. Video trailers about the program will be shown at St. Michael's on 1/25 and at St. Joseph's on 2/1. After the Masses fliers will be handed out to each parishioner regarding how to register for either the internet platform or the discussion groups. We look forward to navigating this new tool with you to develop a deeper communion with Jesus and each other.
